2

Filter and sorting functions navigate you to find the discounts that are just right for you.

Found some promising perks? Click on 'Redeem Now', to open the Benefit Redemption Form.

Get the Discount

3

Simply fill out your contact information, select the startup program you're in and add the benefits to redeem.

Submit

4

Once we have verified your program affiliation, you will receive an automated email with your selected benefits + instruction on how to activate them.

Please note: The verification process might take a couple of days

Follow the instruction guidelines from the email and let the discounts fuel your startup journey.

Help us to drive the Start2 Benefits Gallery forward!
