

OFFICIAL INVITATION

# 27<sup>th</sup> PCU UNIVERSITY GAMES

22-24 April 2026, Antwerp (Belgium)

International Federation  
recognised by the  
 International  
Olympic  
Committee

# Official Invitation 27<sup>th</sup> PCU University Games

## Olympic Fair Play Values – International Friendship

**Esteemed Colleagues, Heads of Sports, and Students,**

University sport is a powerful platform to promote integrity, respect and unity among students. In this spirit, we are pleased to invite your institution to the PCU Games, the official university sports event of Panathlon International - the worldwide guardian of Olympic Ethics.

The PCU Games welcome universities of all sizes to an international multi-sport event grounded in academic values and Fair Play - sport unites all. Students compete in **men's and women's volleyball, basketball, futsal and men's football**, fostering inclusion and meaningful international exchange.

Delegations also compete for the prestigious Enrico Prandi Trophy, awarded for exceptional Fair Play acts during the Games.

This edition takes place 22-24 April 2026 in Antwerp, Belgium's historic Olympic city, hosted by AP University of Applied Sciences and Arts Antwerp in cooperation with the City of Antwerp. Full details are available at the official website [pcucommittee.com/pcugames](http://pcucommittee.com/pcugames).

At a time when universities seek accessible, value-driven international opportunities for their students, the PCU Games offer a trusted platform where sport unites institutions through Fair Play, respect and friendship.

With highest regard and respect,

**Gert Christens**, Director AP University of Applied Sciences & Arts, Student Center
